To Whom It May Concern

Orange Romania is part of **France Telecom group**, one of the world's leading telecoms groups, with **over 183 million** customers on five continents and the leading operator on the Romanian telecom market.

S.A.S. GRUP SRL is an innovative developer and supplier of a web-based GPS vehicle tracking/fleet management system in Romania and Europe **currently accounting more than 18000 active SIM cards** only in Romania.

Starting with 2008 Orange and S.A.S. GRUP started a partnership in order to develop common complete solutions based on M2M technology, solutions to be addressed to both business and private clients. Orange is the data communication services provider for S.A.S. GRUP solutions.

We would like to underline that we are very pleased with our partnership with S.A.S. GRUP and due to the fruitful collaboration and very good results S.A.S. GRUP SRL became Orange Gold Partner since January 2010. Our consideration is based on the high quality products and services, on the strong financial position, and on a balanced and scalable business platform.

It is our pleasure that we recommend S.A.S. GRUP SRL as a reliable business partner and sincerely appreciates the company's responsiveness and the way S.A.S. GRUP conducts business. As long as those factors remain unchanged we look forward to continue and to develop the cooperation with S.A.S. GRUP SRL.

Sincerely,

GABRIEL DUMITRESCU
